

## 2020 COSHH Policy

**Within your working environment you will undoubtedly come across hazardous chemicals and substances. Our commitment is to ensure the highest levels of protection are achieved regarding the protection of our employees, customers and associates regarding The Control of Substances Hazardous to Health Regulations 2002**

We will:

- Ensure that all staff are suitably trained.
- Ensure that the company COSHH Register is up to date and understood by all.
- Comply with all required legislation, relevant standards and statutes, relating to The Control of Substances Hazardous to Health Regulations 2002.
- Comply with all required legislation, relevant standards and statutes, relating to The Control of Noise at Work Regulations 2005.
- Establish and maintain an integrated management system for managing COSHH & Noise at Work, which align to the requirements of industry recognised standards.

(New international COSHH Symbols)

***“We take our responsibility seriously to protect all from substances that are hazardous to health”***

***Tracey Vasko – Director***
